Description	<p>The website has the following sections:</p> <ol style="list-style-type: none"> <li>1. Home</li> <li>2. Living in Valencia</li> <li>3. your Universities</li> <li>4. Campus Life</li> <li>5. Location and contact</li> </ol> <p>HOLA is the gateway for international students seeking information both in universities and other common services. Tries to present together information of interest to students, teachers and researchers worldwide. Offers services to facilitate integration into the city and downtown destination, either before arrival, during the stay, and even after the game. And also in this portal include the map of the international relations of VLC / CAMPUS with international connection points, and can thus take advantage of synergies between members of VLC / CAMPUS and its international connections.</p>
Goals	<p>The web portal is set HOLA Reception and Care Point International VLC / CAMPUS aims to:</p> <ul style="list-style-type: none"> <li>• Serve as a hub of outward dissemination of information to project the excellence of VLC/CAMPUS members.</li> <li>• Be the gateway to VLC/CAMPUS both for visitors to the website in search of locations where to study or carry out research, and for those who have already decided to visit a centre or unit within the entities that make up VLC/CAMPUS and need support to efficiently and adequately handle the formalities to join VLC/CAMPUS, so that their academic, social and urban integration is as smooth as possible.</li> <li>• Strengthen the international relations of VLC/CAMPUS members.</li> <li>• Offer all those common services that any visitor may require in a unique way by optimising resources and providing greater cohesion, coordination and integration between VLC/CAMPUS members.</li> </ul>
Results	<p>The project is currently in the initial phase aimed at consolidating information and common services of the members of VLC / CAMPUS. In the future it is expected to move towards greater coordination of these services, especially in representing the unification of certain administrative processes between the components of VLC / CAMPUS simplify procedures to enable and optimize resources.</p>
